EAST ALGARVE PROPERTY SEARCH SERVICE

MEET

We conduct an initial no-obligation briefing meeting in person or over the phone where we run through our Living in Algarve's Questionnaire to ensure we understand your property and lifestyle requirements.

SEARCH

We save you time by tapping into our extensive network of estate agents, developers and private vendors ensuring you are first to hear and see what is about to hit the market.

SHORTLIST

By researching, viewing and vetting ourselves we will carefully select only those properties that adhere specifically to your brief and escort you to view these personally.

NEGOTIATE

Using our market knowledge, we take the emotion out of the process, negotiating on your behalf to help secure you the property at the right price taking into consideration the three key variables: location, size and condition.

INTRODUCE

We can introduce you to appropriate professionals if required such as solicitor, tax advisor, engineer etc.

MANAGE

We can manage solicitors, estate agents and engineers helping keep the due diligence process moving.

COMPLETE

From Promissory Note through to completion we are on hand to ensure everything moves as quickly and smoothly as possible.

ORIENTATION

We can familiarise you with an area, its amenities, transport links, schools, golf clubs etc.
